# CE Day

- A gathering for all of CE family...

# Site Visits

- For your understanding of the industry

*Activity: Site Visit to University Town*

*Date: 26th February 2010*

*Location: University Town*

*CE Club organized a site visit to University Town for all CE students. Our friendly speakers taught us construction knowledge, specifically on the vehicular and pedestrian bridge connecting University Town to Kent Ridge Campus, and brought us around the site to further explain the different construction stages and techniques. It was an eventful trip as everyone got to gain new insights that could only be learnt outside the classroom and a great opportunity for us to experience how it is like working on a construction site.*

# Graduation Night

- A night to remember...

# Lasertag Quest

- A welfare activity, both physical and fun!

**Lasertag quest**

Lasertag is a hybrid of precision electronic sport and adrenaline-pumping combat simulation entertainment that uses infrared electronic guns.

Times: 6:30-9:00pm  
Location: Lover's Park near the central library

Attractive prizes to be won for the winning team!

**organiser**  
CEC NUS Civil Engineering Club

**external vendor**  
Wright

**Activity: Lasertag Quest**  
**Date: 22th October 2009**  
**Location: Lover's Park (Near Central Library)**

*As part of NUS Civil Engineering welfare activity, CE Club organized a fun-filled evening for all CE students. Lasertag Quest was organized not only to give our studious civil engineers a well deserved break from their studies, it also gives students from different years opportunities to engage with one another and work together as a team to fight off their opponents. Strong team spirits were displayed as members worked on their strategies. As the night progresses, everyone's adrenaline was pumped up and the games became more intense. At the end of the day, the winning team was awarded with a prize.*

# 6<sup>th</sup> IUICEC

# CE Orientation

# If You Want to:

Serve your Friends

Lead a Team Be a better Leader

Know more People Seniors, Juniors, Dept Staff, Prof

Have sense of Satisfaction After each successful event

Exercise Planning skills Be more organised

Challenge your Limits Have a bigger capacity

Express you Ideas Transform into reality
